## Join your peers, colleagues, and new friends as you:

- Experience the joys of hands-on inquiry
- Apply authentic PBL experiences to literacy, math, science, social studies, technology and more
- Incorporate the 5 C's as a best practice in teaching
- Engage in problem-solving with the arts
- Create, dream, and internalize new opportunities for your students, staff, and community as a leader of PBL
- Have fun exploring the 500-acre horse ranch, swimming, kayaking, participating in archery, hiking the trails or going horseback riding!

*"I will forever be grateful for this transformational opportunity! I know that I will be implementing what I learned immediately. I plan to incorporate at least one task from the Defined Learning resources at least once each quarter."*
