

Defined Leaders Cohort

Defined Academy's **Defined Leaders Cohort** is an intentionally designed professional learning experience that builds the capacity of educators to open their classrooms to the world of authentic, student-centered learning for ALL with Defined Learning and Defined Careers!

At Defined's uniquely-designed Leaders Cohort:

- Learn, collaborate, and grow with a **team of educators** from your school or district
- Begin to **build capacity and culture** over 8 to 10 flexibly scheduled weeks
- Engage with 4 self-paced modules featuring **Jay McTighe & Defined Learning**
- Live the experience as you **plan, implement, & reflect** with a Defined mentor
- Demonstrate competence by earning three **Defined Micro-Credentials**

For additional information, please contact your Partnership Manager or scan the QR code below to visit our [website](#).

Defined Leaders Cohort Progression:

- **1. Cohort Mentoring Sessions**
 - Three sessions supporting deep learning with Defined in the classroom
 - These sessions can be fully virtual or a blend of virtual and in-person
- **2. Instructional Planning**
 - Ongoing instructional support in planning deep learning experiences with Defined
- **3. Online Learning Modules**
 - Four self-paced modules featuring Jay McTighe focused on UbD and Defined Learning
- **4. Defined Micro-Credentials**
 - Cohort members will earn three micro-credentials upon completion

"Excellent training! I am walking away more informed and confident to work with my staff to make project based learning happen in our district."

Adam Geiman
Eastern Lancaster County School District (PA)
